

**Note:** Michael's and applebaum actual joke that the ads and websites they cloned for the use of their own affiliate network were so close that nobody would be able to tell the difference... (see exhibit 30)

So far we have found 2 cloned websites and approximately 40 cloned web ads that they have used and were found up and running their credit offer.

Session Start (vaderbaum:timnewbad): wed Mar 21 17:24:41 2007  
[17:26] vaderbaum: i think you will laugh when you look at the sites - ours has a different pic, brighter/whiter clouds, we sharpened the coloring of the navy words on the right side - other than that not much of a difference  
Session Close (timnewbad): wed Mar 21 17:26:58 2007

Session Start (vaderbaum:timnewbad): wed Mar 21 17:28:06 2007  
[17:28] timnewbad: i am laughin  
[17:28] timnewbad: g  
[17:28] timnewbad: dude i didnt even need to be alone to look - no one will tell LOL  
[17:28] vaderbaum: funny right  
[17:28] timnewbad: hey looks good  
[17:29] timnewbad: u calling me?
